Happy Birthday

Travis Wildeboer— June 7th

Dillon Berger— June 13th

Do you have suggestions for CE or want to teach something that you are passionate about? Let education know!

Remember to complete your mandatory trainings by June 30th.

Denver Health East Grand will be having modified hours until June 13th. For now, they are open from 10am-4pm Mon-Thurs.

Next staff meeting: July 23rd!

Lots of brain power is going into fixing the computer issue. There is another work station at St. 1 now and there will be one soon at St. 4. Internet may also be coming to St. 2.

What are your Plans for Summer?

Nadine: Gardening.

Hayley: Slaving for the man.

Chad: Drinking my favorite refreshment and listening to Jason Aldean.

Matt: Riding my motorcycle and EMT class.

Travis: Becoming a father!

Jeff: Camping and moving in with my girlfriend.

Robin: Going to a John Denver impersonator concert with some girlfriends from high school.

Kotas: Going to the lake in Nebraska for 10 days and being barefoot as much as possible.

Sean W.: Going to Georgia to visit family.

Brooke: Knit a hammock with the cobwebs in my office so I can sleep in it and stay here all night too.

Dillon: Turning 21!

Tammy: Enjoying the summer with my grandbabies.

Nowell: Juggling kids and their schedules. Also, lots of rafting and camping.

Chief: ATV and go to California. Then four wheel, work, play at work, and have fun at work.

Cory B.: Country Jam, drinking my favorite refreshment, and camping.

Shannon: Doing lots of canning of goods from Grand Junction, riding horses, camping, and finishing quilts.

Sean C: Camping and being a shuttle bus for the kid's sports.

Erich: Work, writing an article for JEMS, and presenting at the National Safety Summit.

Dustin S: Working and fishing.

Megan and Dustin P: Camping, jeeping, hiking, and rafting.

Cory Z.: Getting married!

Ryan M: Work and taking a trip or two.

Sean J: Camping, jeeping, and hopefully taking a trip somewhere.

Katharyn: Country Jam, camping, and spending time with some good friends.

Steven: Trying to grow a moustache. 

Wyatt: Work and hopefully a vacation.

Josh: Concert and undecided on going to the lake.

Erica: Working, hiking, going to see Wicked, and saving money for my honeymoon to Ireland.

Karla: Work in and work out and Muderella.

Outstanding Achievements!

A Shift Person of the Year: Brian Gourdin

Troy presented Brian as the A Shift Person of the year for his immense help in making the doubles safe. Even though he has been here for a short time, his work is very much appreciated!

B Shift Person of the Year: Dustin Muth

Dustin was awarded B Shift Person of the Year by Allen and it was presented by Kotas. Dustin always has a positive and can do attitude. He has been a huge help ensuring the working of equipment for MMRT. Thanks Dustin for your hard work!

C Shift Person of the Year: Shannon McGill

Erich awarded Shannon as C Shift Person of the Year. Shannon is a huge help in teaching CPR and First Aid classes. She also comes to the rescue by picking up lots of extra shifts and in helping to create the Academy Program. Many thanks for all your help Shannon!

Administrative Person of the Year:

Katharyn Woodard

Audrey named Katharyn as the administrative Person of the Year. She has taken over the EMT class, newsletter, and AED program this year.

Chief presenting our new Challenge Coins! These represent us as a professional organization and also stand for those who came before us that helped to get our agency to where it is today. Check out the features!

Rookie of the Year: Chad Sprague

Chad has made leaps and bounds since he first took the EMT class at GCEMS last summer. He maintains a positive attitude and is always willing to improve his skills and do whatever needs to be done. Keep up the outstanding work Chad!

EMS Person of the Year: Sean Jarboe

Jarboe has been a staple in improving the quality of patient care by helping to improve our protocols as well as being an integral part in obtaining the Ancef and Ketamine waivers. Awesome job Sean!

Kudos

Thank you to everyone who helped with the high school EMT class this year! Your efforts are very much appreciated in educating the next generation of EMS professionals.

Make sure to thank Jarboe, Audrey, Chief, and Dr. John for all their hard work and research in getting Ketamine and Ancef wavers approved so we can improve patient care!

Kudos to the TEMS team for their hard work in training with the SWAT team for a week!

Kudos to the new field training group. They are very dedicated to making our agency better by helping new hires learn the ropes and ensuring that they are providing the high quality of patient care that we embody here at GCEMS. They have completed a Field Trainer Class and will have a few more workshops to finish revamping the field training process. Thank you guys for your hard work!
