

Grand Co.

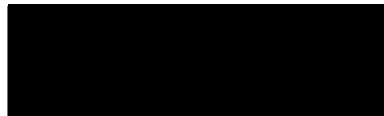

The Igadi Dispensary is a god send
To me suffering from full Body
Arthritis.

Having A shop in Granby would save
me 75 miles A week in Driving alone.
With 5 lower stores in Granby it
seems Hypocritical NOT To have cannabis
options for those of us in need of pain
and joint Relief.

I Really Hope The board uses
Common sense Here and NOT some
stuffy, uptight, ~~un~~ uneducated
opinions on this Decision.
