

Dear County Commissioner,

I'm writing to you to show my support for a new dispensary location in Granby, CO. I've been living in the valley for almost 3 years and having a new location near Granby would help me tremendously, especially in the winter. Having a location in Granby would help reduce the distance I will have travel to obtain needed cannabis products. It will also help with traffic between Granby and Tabernash where the nearest location is. I hope you take my position into consideration when you vote on November 12th.

Sincerely,
