

Dear Commissioners,

I would like to see the new Igadi outside of Granby.
Igadi has a Great shop in Tabernash, But it's so far
from Granby. A Igadi in Granby would be good for Granby,
People in Grand-lake Buzz through Granby on the
way to Tabernash for good weed. If there was a
Igadi in Granby more people might stay in Granby
for a coffee or lunch, I could get my weed close
by and not waste gas.

Thank you
