**Subject:** [External Sender] hearing on 843 w. agate ave. application:

Commissioner: I am writing today to inform you of my opposition to the proposed dispensary in Granby. My opposition to this application is two fold. One, I completely agree with the Granby board of trustees who are opposed to the location. Further, I feel that granting this license so close to Granby's town limits would be Highly unwanted and divisive for the people of Granby. Two, the Villas at river run is a new RV park with a very decided 'family' atmosphere to it and it is very close to this location on agate ave. I feel that having a marijuana shop this close to the park is unwarranted. My name is Douglas Brader, and I am a Grand co. homeowner. My address is Grand Lake Co. 80447, and I respectfully ask for you careful consideration on this matter. Thank you.
