We will be providing a pre-event, Rural Trauma Team Development Course, on March 5, 2021. This is a one-day course that will be held in person. Masking and social distancing practices are required from all participants. This course provides education about the fundamental elements of injury resuscitation. This course can improve the quality of care for trauma patients in rural communities by providing education about the development of their trauma teams. Join us for the 20th Wilz Trauma Symposium on March 6, 2021.
