20CE074_Flyer_RespiratoryEmergencies.pdf;

Saunders Medical Center is pleased and proud to announce our next FREE, virtual, continuing education program for Nurses and EMTs.

-September 16th: Respiratory Emergencies

Thursday, September 16th, 7:30-9:30 PM Central; via Zoom.

Objectives:

- Describe the normal anatomy of the airway including the pulmonary anatomy and physiology.
- Identify management approaches for emergent airway and respiratory injuries and illnesses.
- Discuss the healthcare team members' roles and responsibilities when collaborating within the prehospital and emergency department settings during airway and respiratory emergencies.

Please email me prior to the class for the Zoom link. Our Zoom capacity is limited, so pre-register early!

I will e-mail confirmations and the zoom link for the program 5-7 days before the session.

Future classes will alternate monthly between EMS-ONLY/Zoom-only classes and EMS/Nursing /virtual classes with a possible live option.:

-October 7th: Military Trauma Care: Lessons from Iraq and Afghanistan for Civilian EMS (EMS Only/Zoom Only)

-November 18th: Trauma Case Studies: (Nursing/EMS//Zoom and (maybe) Live)

-December 9th: Winter Emergencies: Hypothermia, Slips & Falls, Frostbite, Carbon Monoxide Poisoning (EMS Only/Zoom Only)

-January 13: Pediatric Case Studies: (Nursing/EMS//Zoom and (?) Live)

Please feel free to share this email and the attached information with colleagues.

We hope that we can continue to serve the educational needs of EMTs and nurses in our facility, in our community, and statewide.

Thanks very much for your interest and continued support!

Curtis Olson, BSN BA RN CEN NRAEMT
