

EMS Educational Series

Target Audience: Physicians, Surgeons, Nurse Practitioners, Advanced Practice Nurses, Physician Assistants, EMS/EMT, Paramedics

Trauma Myth-Busting

Dr. Dylan Luyten

Emergency Medical Physician, ED & EMS Medical Director

Learning Objectives

At the conclusion of this activity, the learner will be able to:

- Discuss the difficulty in identifying traumatic pelvic fractures in the field and define which patients benefit from pelvic binders.
- Identify patients who are likely to have cervical fractures and discuss ways to stabilize and protect those injuries for transport and define those patients who may be harmed by cervical immobilization.
- Discuss common misconceptions around fluid resuscitation in trauma patient and review research on the efficacy of blood and blood substitutes.

Activity Description: This is a virtual CME-certified educational intervention designed to address the prehospital management of trauma patients. This will include case reviews and research to help debunk common misconceptions regarding the care of trauma patients and provide evidence-based guidance for appropriate assessment and care of common traumatic injury patterns.

Event Date: Monday 09/27/2021

Time: 1000-1130

Location: Webex

Webex link: tinyurl.com/46xsc5p9

Instructions: To complete the virtual live course and receive credit, please follow the instructions listed below:

- 1) **Register:** Select the WebEx link and Register for the course. Please be sure to provide information in all required fields. **Participants:** Please be sure to register and log in individually. If you register for the course and watch with other participants, only the individually logged in will receive credit. If watching with a shift, please contact the EMS Manager in charge of the presentation.
- 2) **View Presentation**
- 3) **Complete the Evaluation:** After viewing the live presentation, you will be emailed an evaluation link within 5-7 business days. Please complete the survey to claim your credit and your certificate will be available immediately.

Questions or assistance in registering:

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the HealthONE Health System and CarePoint. The HealthONE Health System is accredited by the ACCME to provide continuing medical education for physicians

Credit Designation: The HealthONE Health System designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Academy of Nurse Practitioners Certification Board, The American Nurses Credentialing Center and The American Academy of Physician Assistants (AAPA) accept AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education) toward recertification requirements. *We suggest that learners check with their state licensing board to ensure they accept reciprocity with AMA PRA Category 1 Credit™ for re-licensure.

Commercial Support: This Activity was developed without support from any commercial interests. *A commercial interest is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests – unless the provider of clinical services is owned, or controlled by, and ACCME-defined commercial interest.

Disclosure: There are no relevant financial relationships to report for those individuals in a position to control the content of this CME Activity
