# Use of the Grand and Patron Passes

The registered owner of each Grand Pass is responsible, at all times, for both the distribution of Grand Passes, and any replacement costs.

Your involvement in the Grand Pass Program is not a right, it is a privilege extended by our partners. Please respect the rules and regulations for the skier/rider responsibility codes and etiquette.

*Misuse of either pass will result in immediate nonrefundable revocation of privileges.*

## Grand Pass (fully transferable)

This pass is fully transferable. It may be given by the owner for use by employees, clients, vendors, family, friends, and others; however, it *shall not be sold, bartered, exchanged, or otherwise used for profit or financial gain.*

It is the pass owner's responsibility to be aware of the rules and regulations and to communicate them to all users of this transferable Grand Pass. **Please remember to keep track of your days at Steamboat and Copper Mountain!**

## Patron Pass (non-transferable)

This pass is *not* transferable and *must* be used by the sole pass holder.

If your Grand Pass is lost, please report it to the **Grand Foundation immediately.** **Call/text Stefanie at 970.531.4311. Include the last 3 digits of the lost pass number.**

You may also email me at [stefanie@grandfoundation.com](mailto:stefanie@grandfoundation.com) or call the office at 970.887.3111 ext. 3, however our offices are closed weekends/holidays. For the quickest turnaround, contact me using the cell number listed above.

Only the owner or authorized personnel can initiate the "lost pass" procedure. A new pass will be issued and the lost pass will be voided. This process may take up to 48 hours...so do not hesitate calling and starting the lost pass process.

**There is a \$100.00 fee charged to reissue a replacement Grand Pass**

It is in your best interest to inform each user of the safest way to keep the pass secure while it is in their possession. Store the Pass in a zippered jacket pocket.

If you have any questions, please contact  
Stefanie at the Grand Foundation
