

*Notes from the County Clerk and Recorder:*

Effective July 1, 2014, legislation has changed the look of your Motor Vehicle Registration.

The registration in the envelope from the County Clerk and Recorder will continue to be two complete registrations; one for the vehicle and one for the owners' records. The registration that stays with the vehicle has the following language in place of the owner's address:

*Thieves have been known to use the address from a registration card to steal from the vehicle's owner. For added security, you are encouraged to keep only this registration card in your vehicle. It does not contain your address.*
