My parents have a condo in Fraser.

The Fraser valley is geared toward healthy family activities-- skiing, hiking, biking and even has a nice new family recreation center. Allowing pot shops, especially massive ones (as suggested in the old Highline Lumber & Alco center locations) would create a significant negative impact on the healthy family culture and values of the area.

Hello

We have received your comment and would like to include it in the public hearing file for the public hearing but to do so we need additional information. Could you please identify yourself and identify where you live in Grand County. If you have specific reasons for your statement, please include those.

Thank you. Patty

Please do not allow pot shops, grow operations or any marijuana operations in Grand County.

Thank you.
