Subject: Igadi Marijuana Store

As the owners of Mountain Auto Inc. we are opposed to any proposal of a marijuana business in Tabernash. I think you need to consider what kind of people marijuana growers, suppliers and buyers bring to our community! We think Grand County and the Grand County Board needs to consider the marijuana issue seriously, please don't let this happen in our small community! Sincerely, Carl and Debra Prather owners of Mountain Auto Inc.

Mountain Auto
33 County Road 825
Tabernash, CO 80478
