**Subject: In Support of RM Concepts**

To whom it may concern,

I am writing this letter to tell you that I think that you should approve the license for RM Concepts in Tabernash. I have met and dealt with RM Concepts personally, and I have to say I was very impressed not only with their professionalism on this matter but their awareness and concern for the impact on the county. They are always thinking forward, trying to find ways to not only to help increase the county's economy but make sure their presence has a positive effect on the environment. I believe that RM Concepts would truly be an asset to Grand County.

Thank your for time  
Vern Pennell
