Subject: **Opposition to Marijuana store**

Dear County Commission;

I am a resident of WildAcres and am writing in opposition to the licensing of a marijuana store at 12365 US Hwy 34 in Grand Lake. Please enter this into the public record so my voice is heard even if I am unable to attend the meeting on 11/17.

There is a first class marijuana retail operation in Tabernash that is well regulated and I don't believe that we need a small operation in Grand Lake. I am concerned about the impact on police resources in our area and potentially the negative impact on property values. Thank you for asking for our input.
