Subject: opposition to retail mariluana store in Grand Lake

To the Grand County Clerk,

I am a home owner in Grand Lake and am writing in regards to the up coming meeting that will decide whether or not to grant a retail marijuana store license in Grand Lake.

I am opposed to the retail sale of marijuana in Grand Lake. I feel that it is inconsistent with the values and life style that is Grand Lake. The sale of marijuana in Grand Lake will do nothing to enhance the area, while select individuals will make money off of the sales, the entire community will pay the cost of having this type of business. Grand Lake does not have town based law enforcement, so by nature a cash business will be subject to greater crime, increased traffic on the single road into and out of the area, its presence in family - public areas (i.e. the beach area) and intangible costs on the local tax base.

Marijuana sales in Grand Lake is inconsistent with the harmony and values of the town and I hope you will deny this and future requests for retail licenses.

Sincerely,
Tom Tellschow
