Subject: RE: RM Concepts - Retail and Medical Manufacturing

Sara

Grand County Road & Bridge has reviewed the "Retail and Medical Manufacturing" information for #60 CR820 in Tabernash.

Grand County Road & Bridge's only concern at this time would be additional impact to our roads. If I understand correctly this will not be a store front business but a manufacturing business and should not lead to any more traffic than what was in the business location before.

At this time Grand County Road & Bridge has no further concerns with this issue at this time.

Thank you!

Alan Green
