Subject: Retail Marijuana Store at 12525 US 34

Sara L. Rosene
Grand County Clerk and Recorder
PO Box 120
Hot Sulphur Springs, CO 80451
Grand County, CO

Dear Ms. Rosene,

We are writing to voice our opposition to licensing a retail marijuana store at this location: 12525 US Highway 34, Legal Description: Pine Beach Subdivision, Lot 11, Block 4

We are property owners on Timberline Trail (County Road 4643) in the Wildacres subdivision and the proposed store location is within ½ mile of our lot. We also have a residence in the Columbine Lake subdivision, which is about 3.5 miles away.

Grand Lake is a family-oriented vacation and residential community. The proposed location is closely surrounded by homes so you would be, in effect, approving a marijuana shop in a residential neighborhood, which we find undesirable.

Sincerely,

Alan & Cindy Kahan
