4. EMERGENCY DECLARED. The Board of County Commissioners finds that the immediate preservation of public health and safety requires that this Amendment take effect upon passage and publication as provided in Section 30-15-405, Colorado Revised Statutes. The reasons making such immediate effectiveness necessary are (a) protection of the public treasury from the expenditures of public funds and resources far in excess of the costs contemplated by the original fee schedule, and (b) the level of scrutiny of applications, applicants, and premises required by the State of Colorado are substantial, and (c) the critical importance of governmental oversight of the industry has been recently emphasized by the number and extent of recalls of products recently issued by the Governor, and (d) information received by the license administrator from the State concerning regulation, oversight, and health issues

discovered in the course of administering the regulation of retail and medical marijuana. Upon final passage, this Ordinance shall be published by title, which publication shall also contain the date of the initial publication and shall reprint in full any section, subsection, or paragraph amended following the initial publication of this Ordinance.

5. If any section, subsection, sentence, clause or phrase of this Ordinance should be held invalid, the invalidity of such section, subsection, sentence, clause or phrase shall not affect any other section, subsection, sentence, clause or phrase of the remainder of the Grand County Marijuana Licensing Regulation and Ordinance 14.
