

April 5, 2016

I would like to voice my support of MMK, Limited operating a retail marijuana store at 10863 US Highway 34. It is a legal business regulated by State and County laws that will generate tax money to the community. The business plan they presented at the open house shows that they intend on contributing to the area. I see this as a good thing. I am a close neighbor and rent the lot adjacent to the property.

Clive Smith
9921 US Highway 34, #31

A handwritten signature in blue ink, appearing to read 'Clive Smith', is written across the page. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
