The following could be interpreted as a conflict of interest (or bribe) since Serge is the financial backer of MMK. I not sure how much money we are talking about but some where between \$3-10,000.

5. **MMK Facility Contribution to Grand Lake Center**

Mayor Burke was approached by the owners of the proposed MMK facility and they expressed their willingness to make a contribution to the Grand Lake Center and particularly to fund the start up of medical services that could be provided at the Grand Lake Center. However, subsequently, representation that they had support from the Town of Grand Lake emerged, which was not accurate. Mayor Burke has since provided a memo clarifying the circumstances (SEE ATTACHMENT).

April 7, 2016

Serge,

I am in receipt of the documents that you forwarded to me pertaining to your commitment to the Town of Grand Lake should you get your approval of your marijuana license from the County.

I applaud your efforts to give back to the Town in some way, even though the Town of Grand Lake has no legal standing in the approval or disapproval of the license as our comment boundary does not reach to your proposed property and has by resolution chosen to not allow the use or selling of recreational or medical marijuana within its town limits.

However I must comment that the discussion with the Town and in particular me as the mayor does not in any way require, as a part of the Commitment to the Town of Grand Lake, the Town's position of supporting the application MMK Limited has before the Grand County Commissioners for approval on Tuesday, April 12<sup>th</sup>, 2016. This being the case, I would hope that MMK is not making statements that the Town is in support of the application as the Town Board has not and will not make statements in support of the application as that position has not been approved by the Board.

That being said, again we wish to thank you for your recent donation to the Grand Lake Center and your support of the Town in its effort to develop a community recreation center.

Sincerely,

Judy Burke, Mayor
