**Subject: Opposition to retail marijuana license application**

Dear Grand County Clerk,

Needless to say, my husband and I were very upset when we heard of the proposed marijuana retail store application being requested.

We have been coming to Winter Park for over 25 years, purchased a condo in Meadowridge 7 years ago for our family to enjoy. When that got too small due to family and grandkids loving to come and enjoy Winter Park, we bought land and are just finishing a new house on Forest Trail. One of the many reasons we love Winter Park is that it is a very family oriented area for both summer and winter activities. It would be heart breaking to put a marijuana retail store right at the entrance to the town of Winter Park.

There are so many marijuana stores all the way from I-70 to Winter Park: 2 in Dumont, Empire and then drive past Winter Park and there is 1 in Fraser and a very large one in Tabernash. Do you really need another one in Winter Park?! If you need to purchase marijuana, just hop in your car or on the new bus and head to Fraser, only a few minutes down the road.

Please, please deny this application.

Thank you,

Michele and Derek Van Hoesen
