**Subject:** Proposed Marijuana Dispensary Near Winter Park

Dear Grand County,

My wife and I, as well as our children and grandchildren, have spent decades enjoying all that Winter Park and Grand County has to offer. We owned a condominium at the ski area prior to the construction of Zephyr Mountain Lodge and purchased a three bedroom unit (S1620) as new construction. We are still the owners of Unit 1620 and spend a great deal of time using the trail to Winter Park and in downtown Winter Park.

I feel having a dispensary at the proposed location would be a poor idea, as it is the first thing residents and visitors would see upon entering the Town. Please oppose this dispensary. There is no need for marijuana in Winter Park, especially so close to the park where my grandchildren play soccer and football.

Thank you,

John W Clark
