Subject: Opposition to Serene Wellness Winter Park LLC at 79025 US Highway 40, Unit 5 & 6

Dear Grand County Clerk:

I am a Zephyr Mountain Lodge unit homeowner and I oppose the licensure of retail marijuana store at 79025 US Highway 40, Unit 5 & 6. I am concerned that this location is too close to family locations such as Hideaway Park, The Ice Skating Rink, Bus stop, and Cooper Creek Center. While I am indifferent on the legalization and sale of marijuana, I feel it is inappropriate for such an establishment to be front and center in Winter Park. I prefer these retail marijuana stores to be located in more appropriate locations.

Regards,

Travis Vap
