Dear BOCC and Grand County Clerk:

My family and I own a unit in the Zephyr Mountain Lodge and come up to Winter Park every weekend to ski and otherwise spend our time. The Valley Hi Motel is central to the Town and many of the activities I do with my kids, including the skating rink and the park. I do not have a problem with there being a dispensary in the Town of Winter Park, but I do think it would be better suited in a location that is less in-your-face.

Sincerely,
