Subject: Hearing On Applicaton of Opening a Retail Marijuna Store on June 30, 2016

Dear Sir/Madam,

We are the owners of High County Hous Building 16. We STRONGLY OPPOSE to granting a retail marijuana store in the neighborhood. Opening a marijuana store at the ski resort would make the purchase and use of the drug much easier. Ski under the drug influence absolutely impose much much greater risk to lives of other skiers. We love winter park and have been enjoying owning a property and ski here. We want this resort continue to be a safe and enjoyable place for everyone who loves ski and mountain life.

Best,

Xiaoyan Ji & Xuehua Bai
