Subject: **OPPOSITION to MARIJUANA on MAIN STREET WINTER PARK.**

Please consider this correspondence as confirmation that we strongly oppose an application to open a dispensary on US 40 at the entrance of town in the Valley Hi Motel or at any location along US 40 in Winter Park or Fraser, Colorado.

As home owners in the Rendezvous Neighborhood with property valued above \$700,000, we are seriously concerned about our investment, the family friendly reputation of our neighborhood, and welfare of all who reside in or visit the Grand Valley. Greeting residents and visitors with a marijuana dispensary is a serious negative for obvious reasons. In fact, we believe the dispensaries open at either end of Empire along US40 chip away at the integrity of the world class sports and leisure activities offered in the Grand Valley on all levels.

Sincerely,
Kevin and Kimberly Evans
38 Friendship Drive
Fraser, Colorado
