Subject: Keep Weed off Main Street!!!

To whom it may concern:

We heartily oppose a marijuana dispensary on Main Street-Winter Park!!

- * Finding a sneaky loophole should NOT be rewarded!
- * There are enough dispensary's in the immediate region!
- * Winter Park should capitalize on being family friendly!
- * Where are the adults in the room???

Sincerely,

Warren and Truda Moreau - 120 County Road 806 - Fraser, CO 80442
