Subject: Valley Hi pot shop ...Not a good image

The proposed shop at the entrance to the Fraser Valley is not compatible with the family friendly image that drives the tourism sector of our economy. For that reason, I oppose it.

As a retired home owner, my wife and I rely on the income from several rental properties in the county. We chose Grand County because it has a wholesome feel. Also, there are already enough dispensaries in the general area of the Valley Hi Motel.
