Subject: Keep Weed Off Main Street

Hi!

We are writing to say that we would like to keep marijuana off of Main Street in Winter Park.

We bought our condominium in Timber Run (143 Forest Trail, Evergreen Unit 9) three years ago after many years of visiting. One of the biggest reasons we chose to buy in Winter Park rather than any other ski resort area is because it is very family friendly. We have an 18 year old, a 7 year old, and a 6 year old.

We do not want a dispensary near the playground.

We do not want to see a dispensary as we (or our guests) enter Winter Park.

There are already dispensaries in the Fraser Valley, which we believe is adequate access to people who want to buy it.

We'd rather see another grocery store way before we see another dispensary.

We request that Grand County make sure that a dispensary does not get built in Winter Park.

We want to protect the family friendly environment of Winter Park.

Best regards,
