Subject: Marijuana Dispensary on US 40 in the Valley Hi Motel

This letter expresses my objection to the opening of a Marijuana Dispensary on US 40 in the Valley Hi Motel just south of the Winter Park city limits.

My family chose Winter Park because it is a family oriented environment. The addition of the dispensary as the first business visitors see, casts a long shadow on that reputation.

I encourage Grand County to ban the opening of any dispensaries for substances deemed illegal by the United States Government.

I own the following properties in Winter Park, Colorado
