**Subject: Opposition to proposed dispensary at Valley Hi Motel**

Dear Grand County Clerk,

I am writing to oppose the application for the proposed dispensary at Valley Hi Motel for the following reasons:

- 1.) The shop is on the Fraser River Valley Trail which is frequented by children and families that should not be burdened by the proposed dispensary.
- 2.) Due to the loophole in town platting the Valley Hi has received unfair tax advantages. The Valley Hi's refusal to join the Town of Winter Park, though technically benefitting from all amenities of the Town of Winter Park without the tax, should prevent them from opening a new business that also benefits from the loophole.
- 3.) The proposed shop is opposed by local officials including the Winter Park Town Council, Fraser Mayor, Winter Park Mayor and the Winter Park Resort.
- 4.) Visitors and locals first (or second) Main Street business sign should not be a sign for weed.

Sincerely,

Margaret Suzanne (Suzy) Robbins
