Dear Board of County Commissioners;

We would like to express our opinion on the "Bonfire Cannabis Company" A request for a retail marijuana store at 8 County Rd. 821 in Tabernash, Colorado 80478. We own a business, Mountain Auto Inc. at 33 County Rd. 825 in Tabernash and we are against letting another marijuana store open in Tabernash, just walking distance from our shop.

Tabernash has two marijuana stores already and there is **absolutely** no need for another marijuana store to open in Tabernash! These marijuana stores are not good for our little business or the surrounding businesses. We are trying to make a honest living in this small mountain town, and raise our families in a safe environment.

We would have attended the meeting scheduled for today June 25, at 1:30 in the afternoon, but unfortunately we have to work!! It also seems to us a waste of time as the BOCC doesn't listen and just keeps granting licenses for marijuana stores one right after another. We feel that marijuana has ruined our rural community! Until our Government stops letting them build and run these pot stores, things are only going to get worse!

Sincerely,
Carl and Debra Prather,
Owners of Mountain Auto Inc
